## SUMMARY

As a dynamic 28-year-old visual artist rooted in the bay area, I bring eight years of invaluable experience in the production industry to the table. Throughout my journey, I've honed my craft with a clear purpose: to foster meaningful interaction through creativity. I pride myself on maintaining the utmost professionalism in every endeavor, ensuring excellence at every turn. Let's turn ideas into reality!

## CAREER

### 2021 - PRESENT

#### LTA Research

### MEDIA PRODUCTION SPECIALIST

- Document and tell the story of an aerospace R&D company building experimental and certified airships.
- Produced a comprehensive visual record of the technological evolution, capturing key moments of testing phases, successful deployments, and contributing to the preservation of the historic giants of the sky.

### 2020 - PRESENT

#### City of San Jose

### DIGITAL MEDIA SPECIALIST

- Seamlessly transition between commercial projects and documentary-style content to capture the essence of San Jose's local parks, community members, and array of city services.

### 2019 - 2020

#### Filmkik

### VIDEO EDITOR

- Post-processing of local event coverage within San Jose, ensuring high-quality deliverables
- Strategically crafted content tailored for optimal engagement on social media platforms and marketing campaigns.

## EDUCATION

### 2014 - 2019

#### BA Radio-Television-Film (RTVF)

### SAN JOSE STATE UNIVERSITY

- Served as both Grip and AC for commercial commissioned by the Santa Clara Valley Transportation Authority (VTA)
- Conceptualized, scripted, and directed the short film "RESET," demonstrating my vision through the medium of film.
